"Oxfordshire Parish Registers and Bishop's Transcripts - Seventh Edition with Supplement 2015" By Colin Harris

The data should be used like a book or microfiche. This first screen gives the contents of the CD. Click to open the Parish contents. If you are looking for a particular person or Surname, click on the relevant index and navigate to the starting letter. Having found it, navigate back to the relevant year range and then to the nearest year. Use the Page Up or Page Down buttons or the scroll bar to find the entry. Some of the content of this CD have been produced from a scan of the best available copy. Not all files can be searched using the Acrobat Search facility. The transcripts have been made by kind permission of the Oxfordshire or Berkshire Record Offices and the Incumbents of the relevant parishes.

Extracts may be made from these transcripts providing the Oxfordshire Family History Society is acknowledged.
